PROM CLOSET

Help Make a Teen's Prom Night Memorable!

Prom season will be here before you know it. Without the proper attire, many kids will not be able to join in the festivities. Zappos and Project 150 want to help make this dream come true for local Las Vegas students. Each year, Project 150 collects clothing and other items to allow local students to shop for free and find the "ultimate dress" or the "perfect suit" for the prom. Join with CCIM Las Vegas as we collect clothes and other needed items for the Project 150 Prom Closet.

- New or gently used prom and formal dresses • Shoes, purses and accessories
(Plus size dresses & dress clothes for young men are in critical need)
- Suits, ties and wallets • Shoe polish and shaving kits
- Make up and make up brushes • Undergarments and shapers
- Hair products, accessories and irons • Silk corsages and boutonnieres
- Gift certificates for restaurants, limos, florists, dry cleaners, prom attire rentals
(For items/services to be redeemed on the day of their prom)
